Artist Jessie Mercer stands near her sculpture of a Phoenix made from more than 12,000 keys that was unveiled in Paradise, Calif., Friday, Nov. 8, 2019. Mercer collected an estimated 18,000 keys from people of Paradise, Calif., who lost homes, businesses cars and other types of locks, in last year's Camp Fire to make the creation.

Shane Grammer paints a portrait of Helen Pace, 84, on the wall of her daughter Suzanne Drews home in Paradise. Pace died in her own home in the Camp Fire

People gather for ceremonies for the one-year anniversary of the Camp Fire in Paradise, Calif., Friday, Nov. 8, 2019. Renamed "Resilience Day"
